CASTRIES ST. LUCIA

Saint Lucia is a small volcanic island located between Martinique and Saint Vincent and the Grenadines. Though only about 27 miles long and 14 miles wide, it offers a diverse mix of lush rainforests, pristine beaches, fishing villages, and upscale resorts.

The St. Lucia Jazz & Arts Festival aims to promote tourism, showcase local talent, and celebrate the island's cultural heritage through music and the arts. It seeks to entertain, enrich, and expand a global community for jazz and other art forms. The festival also fosters community development by providing opportunities for local businesses, artisans, and service providers.
